**O R D E R:**

In his note read above, the Project Director, Andhra Pradesh Right to Sight Society has stated that the main object of APRTSS to strengthen the infrastructure at RIO, REHs, Ophthalmology departments in Govt. Medical Colleges and certain selected NGO base hospitals to maintain the quality of surgery to the poor and need people to achieve the objective of the Right to Sight Programme. In the Governing Body meeting held on 29.5.2008 it approved the Committee's report for the Infrastructural support to Government teaching institutions and certain selected NGO eye care hospitals, and there was budgetary provision of Rs. 4.59 crores for Govt. institutions and Rs. 2.00 crores for NGO eye care hospitals. As there was delay from the period, the committee submitted its report and now that the APRTSS has asked the respective Superintendents and Head of Departments for any changes in the Infrastructural support, these can be approved and APRTSS can be given permission to proceed with infrastructural support to both Govt. and NGO institutions. Further, he has stated that a committee is to be constituted for purchasing equipment for infrastructural support for Govt. Sector and NGO sector hospitals. The above committee after going through the guidelines has to finalize the company from which the equipment can be purchased. The committee will also negotiate with the selected companies to get the best bargain and also the annual maintenance. The PD, APRTSS has therefore submitted necessary proposals to constitute a committee.

2. The Government, after careful examination, hereby constitute a Committee with the following members to purchase the Equipment for Infrastructural strengthening in both Government and Voluntary sectors:-
